

PHAM VAN TRUONG (Class of 2021)

Studying abroad in Japan under the spread of COVID-19, everything is beyond my expectation. Having been confronted with an unprecedented and uncertain situation brought by the pandemic, Rikkyo University offered great support to students such as Learning Environment Scholarship, internet equipment, software license that serve our best convenience in studying.

It is also an opportunity to prove how excellently world-class faculty members adjust their teaching styles and how considerate professional MPMA office staff are. Interestingly, we receive more practical lectures even the classes are conducted entirely online.

Although social distance measures are applied, we are still able to access Rikkyo Library - one of the largest university libraries in Japan, fully equipped study rooms, modern sports facilities, instrumental field trips, and so on.

I am pretty sure I spend my fruitful academic life with an incredibly rewarding experience at Rikkyo University.
